

# "How To Finish This Year Well"

(Hebrews 12:1-3)

*Intro- In our text this morning we're going to talk about how to finish up this year having run our race well. It's important to "start right" if one is to "finish right." There are three points we'll find in the admonition of Hebrews 12:1-3 related to our own race.*

## I. WHAT TO LEARN

A. Two things we must learn to do if we are to run well

1. Remove the things that burden us
2. Resist the things that bind us

## II. HOW TO LIVE

A. So, understanding that we are running a "righteous race" how are we to live?

1. We must be faithful
2. We must be focused

## III. WHERE TO LOOK

A. Two closing points about our admonition in Hebrews 12:1-3

1. We must look to Jesus with concentration!
2. We must look to Jesus for motivation!
